Day 1									
Report Time	1st Break		2nd Break		Final End Time	Total Hours	Subtract Break Time	Total Paid Time	
	* Minimum payment 3 hours pay per day * 30 minute break per session ** If the required break times have not been provided, payment is calculated from the contracted report time to the end of the competition per day								
Day 2									
Report Time	1st Break		2nd Break		Final End Time	Total Hours	Subtract Break Time	Total Paid Time	
	* Calculation is number of paid hours minus the required break time * 4 session meet = number of hours minus three 30-minute breaks (90 minutes) (from start of report time/judges' meeting to the completion of all four events for the day)								

Ex: Report time for judges' meeting is at 8:00 AM, march-in /competition begins at 8:30 AM and ends at 8:00 PM. Two 30-minute breaks were provided. Total time from report time to end of competition in the last session that day is 12 hours. Deduct the required one hour of break time (two 30-minute breaks); the judge will be paid for 11 hours. If both break times between sessions were one hour instead of 30 minutes, there would be a total time of 13 hours (report time at 8:00 AM; meet ends at 9:30 PM), deduct 1 hour of required break time and judges would be paid for 12 hours.
